# A WORD FROM OUR REPRESENTATIVES

## Luke Howarth MP

Congratulations to the Peninsula Private Hospital managers and staff for the opening of their new Rehabilitation Facility. Health, as we find out sooner or later, is paramount to our happiness. The impact of trauma on an

individual recovering from surgery, an illness or an accident, should not be underestimated. Peninsula Private Hospital should be proud of the \$2 million investment that has been poured into this new facility, because it will change people's lives. I wish the hospital staff and patients the very best.

I am always eager to meet new people and hear your views on how we can improve our local area and Australia as a nation. If you would like me to visit your community organisation, please get in touch on 3284 8008 or at [Luke.Howarth.MP@aph.gov.au](mailto:Luke.Howarth.MP@aph.gov.au).

## Yvette D'Ath MP

Thank you, Redcliffe, for the honour and privilege you have given me in re-electing me to represent our wonderful community. I look forward to continuing to work closely with our community groups, businesses,

schools and sporting clubs into the future to create a more vibrant Redcliffe Peninsula for everyone.

Locally, I am committed to retaining our TAFE services, restoring local health services, seeing the Moreton Bay Rail Link delivered as promised and getting the barge from Scarborough to Moreton Island back up and running. I also want to work with the community to look at ways to reduce cost of living pressures.

If you are a group in need of photocopying or some support with fundraising activities, please do not hesitate to contact my office on 3284 2667 to see how we may be of help.

Moreton Bay Regional Council is seeking residents' feedback on a proposal to name a bridge at Newport in honour of an Australian of the Year and the first Australian woman to

sail solo around the world.

Council recently received a request from a member of the community to rename the Griffith Road Bridge after Kay Cottee, who sailed single-handedly around the world in an 11 metre yacht

and in 1989 was appointed an Officer of the Order of Australia.

According to a letter received from Kay Cottee, Albatross Canal has special personal significance as a reminder of the sea birds which had kept her company during her extraordinary 1988 solo voyage around the globe.

I'm supportive of renaming the Griffith Road Bridge after Kay Cottee AO as part of Newport's connection with yachting and in honour of one of our country's great solo sailors.

Residents are invited to have their say on the naming of Kay Cottee Bridge until the end of March via Council's website [www.moretonbay.qld.gov.au](http://www.moretonbay.qld.gov.au).

## A NEW LIFE FOR PLASTIC PACKAGING

Jo Hegerty

**D**id you know that most plastic packaging can be recycled into useful long-lasting products? All those chip bags and biscuit packets, the plastic sack hiding in your cereal box, the clingfilm around your newspaper – all this and more can be turned into park benches or play equipment. And, best of all, recycling this material is free and easy, thanks to REDcycle.

This innovative company was started by Elizabeth Kasell in 2012 after she despaired about the amount of waste her family produced each week. Not one to take no for an answer, Liz set up a ground-breaking partnership with Coles supermarkets to expand their plastic-bag recycling scheme to include all soft plastics.

Today, REDcycle's green bins are located in more than 580 supermarkets and recently recycled their 100 millionth piece of plastic packaging.

Plastic packaging is made from crude oil, coal and gas; recycling ensures these non-renewable

resources don't go to waste. It also makes a huge difference to the amount of waste you send to the kerb – and landfill – every week.

To start collecting your soft plastics, allocate a box or bag for the collection and position it near your bin or indoor recycling box. Collect frozen-pea bags, pasta packets, plastic shopping bags, produce bags, lolly packets and any other plastic packaging that is "scrunchable". You can also include the thicker "green" bags when they're no longer useful.

When the box is full, take the contents to Coles at Kippa Ring and look for the green bin to the right of the entrance (not the trolley end). REDcycle empties the bin weekly and takes the plastic to recycling manufacturer Replas' facilities in the Gold Coast where it is ground into pellets and made into bollards for councils, plastic timber walkways and other fantastic products. The entire process takes place in Queensland; no material is shipped overseas. To find out more, visit [www.redcycle.net.au](http://www.redcycle.net.au) or find REDgroup on Facebook.

# MILLIE CONQUERS MORETON ISLAND KITE

Jo Hegerty

---

**T**o say Millie Brand is determined is like saying the Redcliffe peninsula is a bit breezy. The daring 17-year-old recently kiteboarded to Moreton Island in the name of charity, completing the 70km round trip in just over six hours. Millie had boat and jet ski support courtesy of Tangalooma Island Resort, and was

accompanied by Jon Ashmore from Kitepower. Although conditions were as good as you can get, the trip was not without its challenges – finicky wind, squalls, and waiting for an enormous boat to cross the shipping lane included.

## KITEBOARD CROSSING

Millie is the youngest – if not the first – person to kite over to our near neighbour. Veteran Redcliffe kiteboarder Henry Pink says, “We older kiteboarders have been talking about going over to Moreton for years. When I heard Millie was planning an expedition, I thought, ‘She’ll do it; she’ll be the first.’”

Although Millie has only been kiteboarding for just over two years, she quickly proved to be a skilled and quietly ambitious rider, and developed

an instant passion for the sport. “Kiteboarding to me is freedom. Gliding over the waves and flying through the air gives me the freedom to be myself.”

“The motivation to embark on this kite trip was the joint love for the sport and the challenge to do something I don’t think anyone has done before. It’s also part of my desire to help those in need.”

Since she first heard about a Kenyan mission with a broken ambulance in Grade Six, Millie has been an avid fundraiser. Over the years, she and her friends have raised more than \$7500 to get the ambulance back on the road and help African children go to school. The Kite 4 Kids Moreton Island trip has already raised \$4000 for Redkite, which supports young people with cancer.

“Kiting in the wind and waves is my happy place,” says Millie, “I wanted to encourage people with cancer not to give up—even when things get really tough.”

Millie’s Kite 4 Kids expedition was sponsored by Kitepower Clontarf, Tangalooma Island Resort and Best Kiteboarding.

# BEE GEES LEGACY LIVES ON

**The golden boys of Redcliffe, The Bee Gees, were honoured with a lifetime achievement award at the 2015 Grammy Special Merit Awards.**

According to the official Grammy's website, "This Special Merit Award is presented by vote of The Recording Academy's National Trustees to performers who, during their lifetimes, have made creative contributions of outstanding artistic significance to the field of recording."

This highly acclaimed award places the Bee Gees in a prestigious class of timeless performers such as Ella Fitzgerald, Leonard Cohen and James Brown, but to name a few.

Maurice Gibbs's son Adam as well as Barry Gibbs, accepted the award on behalf of the Bee Gees.

Barry made a heartfelt speech dedicated to all of his brothers. "We never thought of ourselves as Bee Gees—we thought of ourselves as the four brothers. Me being the eldest, I was always watching out for the rest of them. And I miss them very much ... I always imagined we would sit around in our 80s and laugh and joke. But it just didn't work out that way....I think I've had enough of death to last me a lifetime."

Barry was in good company on the night of the awards with Dhani Harrison accepting a Lifetime Achievement Award

for his late father George Harrison and blues legend Buddy Guy.

This award is very deserved for a truly talented band that will go down in history as one of the most successful bands of our time.

Congratulations to the Bee Gees. What a wonderful legacy to live on.

## A FOCUS ON OUR LOCAL SEAFOOD INDUSTRY

.....

**T**he multi-million dollar Moreton Bay seafood industry is not only an important part of our history and culture, it is also vital to our economy, providing local jobs and increasing tourism.

Our local eminence in the seafood sector inspired the Federal Member for Petrie, Luke Howarth MP, to do a night's work experience on a local trawler and find out more about the industry.

"I did this just before the Christmas break," Mr Howarth said. "It was great to meet some local fishermen aboard the Trawler Marvan 1968. The fishermen are extremely hardworking and dedicated to keeping the industry sustainable."

Luke Howarth MP said improvements in netting mean there is little bycatch (unintentionally caught sea-life).

"The fishermen also told me they have seen the Moreton Bay Region flourish over the past few years. Sea-life is growing steadily, which is great to hear.

"I'd like to thank Rick Morgan from Morgan's Seafood for organising the trawler trip for me. Rick has been a major player in developing and supporting our Moreton Bay seafood industry.

"Thank you also to the Brisbane City Council for its dedication to managing our waterways through its WaterSmart Strategy and 'Brisbane's Total Water Cycle Management Plan'."

In October last year, Mr Howarth invited the Parliamentary Secretary to the Minister for Agriculture, Tasmanian Senator the Hon. Richard Colbeck, to speak with local agriculture industry stakeholders about new developments and government policy in the industry.

# SEA MULLET FISHERY REDCLIFFE PENINSULA

.....

**The Sea Mullet Fishery has been going on for well over 100 years on the Redcliffe Peninsula, with some fishermen being third generation.**

Local commercial fishermen still use the traditional method of net fishing where nets are worked by hand. That was the first technique used on the Redcliffe peninsula last century, although its history goes back to biblical times and beyond. The Sea Mullet season is a short one starting in the middle of May and finishing in July each year.

The Sea Mullet Fishery is one of patience and skill with long hours of watching and waiting day and night for the fish to travel. The fish tend to travel on phases of the moon, also tide and weather changes start them on their annual migration north.

Once a school of fish is spotted at Scotts Point, the spotter never takes his eyes off the patch of fish and walks with them as they travel towards Suttons Beach. The other fishermen

wait there with their net boat. The spotter gives hand signals to them from the shore letting the men know if the fish are in close or out wide, day or night. It takes many years of patience and learning to become an expert Sea Mullet fish spotter.

"We catch only about a third of the fish that travel past Redcliffe beaches, the reason for this is that a third of the fish travel too wide off the beach to shoot the net around them and a third travel on the weekends. Moreton Bay is closed to Commercial Net and Trawler Fishermen from 6pm Friday until 6pm Sunday".

Ref: as told on film in Redcliffe Museum by retired commercial fisherman Jim Finlay.

# RATE CUT HISTORIC LOW OF 2.25 PER CENT

*Ian McLachlan*  
.....

Redcliffe buyers & sellers are definitely in a prime position to take advantage of the latest rate cut.

The cut means monthly savings on mortgages from about \$50 on a \$300,000 loan to \$120 on an \$800,000 loan.

This should mean typical standard variable mortgage rates will come down to 5.7 per cent and discounted variable rates to 4.85 per cent — meaning the lowest cost of mortgage debt since 1968.

This will add fuel to already reasonably strong market conditions.

We have noticed an increase in buyers from Northern suburbs wanting to downsize from their homes to units & also looking for a sea change.

With glowing feedback from residents and visitors to the Peninsula, this rate cut can only mean fantastic things for the Redcliffe Peninsula. Recently earning a spot on the Top 10 beaches to visit in Queensland, along with some of the local favourites being named on the Top 10 places to stop for Fish & Chips in South East Queensland, Redcliffe peninsula's popularity is certainly growing rapidly and gaining attention.

With lower rates & higher demand from buyers, we should see increases in property prices on the Redcliffe Peninsula.

## BURLESQUE ARRIVES IN REDCLIFFE

.....

**O**riginating in the 1840s, burlesque was a form of expression by working class performers as a means of mocking high society. Traditionally, burlesque shows were parodies of opera's and very serious theatrical productions enjoyed by aristocrats of the upper classes. The word burlesque comes from the Italian word *burla* meaning mockery.

MON KOMO Hotel will host its third 18+ dinner and show event that encompasses all things Burlesque on Friday, 20th March after running two successful sold out shows last year.

Presented by Lady Marlene' School of Arts, Mon Komo Hotel's function room will be turned into a cabaret-inspired arena as the Burlesque Babes take to the stage for a night of glitter, glamour and non-stop raunchy entertainment.

Featuring Brisbane's finest Burlesque dancers, stunning costumes and provocative choreography, the female and male dance troupe will present their intoxicating new burlesque show on Friday 20th March with doors opening at 7pm.

Ideal for lovers of burlesque and cabaret, Kyko Group's Director of Hospitality Matt Newberry said the show has proven to be a hit on the Peninsula.

"We are excited to welcome Lady Marlene and her Burlesque Troop to Mon Komo Hotel, who are currently performing at major venues across Brisbane," Mr Newberry said.

"Burlesque is very theatrical and entertaining, and incorporates quirky and comical acts together with sultry and glamorous dance routines.

"The Burlesque show will offer spectacular performances that are vibrant and fun which will appeal to the likes of both women and men, with tickets already selling quickly."

The two course dinner and show package represents great value at only \$60 per person. Mr Newberry said the upcoming show was also ideal for celebrating Hen's Nights and other special occasions.

The musicals' soundtrack, featuring disco songs by the Bee Gees, is one of the best selling soundtracks of all time, with over 25 million copies sold worldwide.

The show is presented by Redcliffe Musical Theatre, producers of the acclaimed sell-out *The Phantom of The Opera* in 2013 at the Redcliffe Cultural Centre.

"You couldn't find a better place to host the World premiere because of Redcliffe's heritage and history with the Bee Gees," said President and Executive Producer Madeleine Johns.

"We are ecstatic to have secured this exciting world-first production. It will be a jam packed, dance-crazed, fuel-injected show, with groovy sets, mirror balls, hit music and tight pants!"

Redcliffe Musical Theatre is a local theatre company aiming to provide high-quality affordable theatre to the residents of the Moreton Bay Region while developing and nurturing local talent. The cast of *Saturday Night Fever* will feature 30-plus talented local singers, actors and dancers lead by Adam Goodall in the lead role of Tony Manero.

*Saturday Night Fever* will open on 19th March, and run for an exclusive season at The Redcliffe Cultural Centre, with prices ranging from \$40 to \$55, and VIP packages are available.

Tickets are available from the Redcliffe Cultural Centre box office now by calling 3283 0407 or at [www.redcliffeculturalcentre.com.au](http://www.redcliffeculturalcentre.com.au).

# ROMEO AND JULIET

## Mousetrap Theatre Company

“**M**y bounty is as boundless as the sea, My love as deep; the more I give to thee, the more I have, for both are infinite.” Shakespeare certainly was a master of words and *Romeo & Juliet* is arguably the greatest tragedy love story ever told.

This is a new and exciting venture for Mousetrap, its first Shakespeare production.

Romeo and Juliet will be played by two experienced teenagers who are new to the Mousetrap theatre, Matthew Bapty and Georgia Gleeson. They bring a delightful freshness and innocence to the roles of the young lovers.

The director, Sandra Hines, has a record of successful productions for Mousetrap (*When We Are Married*, *Private Lives*, *Travelling North*, and others). She is a retired drama and film teacher who teaches a class on Shakespeare at U3A and is thrilled to be directing this beautiful and tragic love story in Redcliffe.

This will be a modern production, set in Redcliffe, with modern costumes, although the beautiful, poetic language of Shakespeare remains untouched.

**I**t won't be long until ticket holders for **The Blues Brothers** screening at the Redcliffe Cultural Centre can finally dress up and 'shake a tail feather' as part of an interactive showing of the 80s film cult classic to help raise money for Variety Queensland.

Kristian Fletcher's performers, who have entertained audiences with similarly unique floorshows since 2000, will return for a big encore production on 10th March, from 6.30pm.

One local excited to see the show is Moreton Bay Arts Council President Janice Charlish, who said she was thrilled the community had the chance to have a fun night out, while knowing all money raised on the night will support the children's charity.

"The charity provides equipment, programs, transport and support to children with disability or experiencing disadvantage," Ms Charlish said.

The money raised is expected to help fund resources for a wide range of emotional, physical, and financial needs through the not-for-profit organisation's three main programs, Freedom, Future Kids and Caring for Kids.

Ms Charlish, who encourages anyone attending the show to "come in Blues Brothers costume," explained the production would be unlike any ordinary trip to the cinemas, and instead an immersive show that will leave people joining in with the cast and dancing in their seats.

"An interactive screening means there are actors and dancers on stage or in the theatre aisles interacting as the movie plays," she said.

**Date:** Tuesday, 10th March

**Time:** 6:30pm

**Tickets:** \$25 each (includes a drink and popcorn)

To book, visit Moreton Bay Council website [www.moretonbay.qld.gov.au](http://www.moretonbay.qld.gov.au) and search for 'Blues Brothers'.

# REDCLIFFE SURF LIFE SAVING CHARITY DINNER

**R**edcliffe Surf Life Saving Club will be hosting a special charity dinner on Saturday 28th February 2014 to raise much-needed funds and awareness for Redcliffe's Surf Life Saving Club.

The Redcliffe Surf Life Saving Club began in 1991 and has always been a family oriented club focusing on family values and the iconic institute that is Surf Life Saving. Situated on the Northern end of Suttons Beach, and having a magnificent view of Moreton Bay, members patrol the beaches during the months of August through to May.

The event, to be held on Saturday 28th February at the Mon Komo Hotel, will raise much-needed funds for the not-for-profit organisation and will welcome special guests speakers, Former Brisbane Broncos player, Petero Civoniceva, Open Water Champion, Trent Grimsley, Australian Sailor Ashley Stoddart and MC David 'Luttsy' Lutteral from Nova 106.9 FM.

Before retiring at the end of 2012, Civoniceva spent most of his career playing for the Brisbane Broncos and representing Queensland in the State of Origin Series and as an Australian International Prop Forward. Civoniceva played his club football for the Brisbane Broncos with whom he won 3 premierships as well as captaining the Penrith Panthers.

Guests will also hear from Trent Grimsley, the fastest person to have ever swum the English Channel. Achieving everything he wanted to in the sport of marathon swimming, Trent opted to retire on top in early 2013, at just 24 years of age. Known for his determination, work ethic and never say die attitude, Trent is now focusing his attention to his new venture Grimsley Adult Swimfit whilst at the same time coaching in Brisbane.

Ashley Stoddart is an Australian Female Sailor, who is campaigning for the 2016 Rio Olympic

Games in the Laser Radial – the women's single handed Olympic Class. She has represented Australia in International competition since 2008 where she became the Under 17 world champion, and to date has been ranked number 8 in the world.

"The Redcliffe Surf Life Saving Club is an important part of the local Redcliffe community and has a great family environment. Redcliffe is a strong community, that comes together for a good cause and we feel this dinner will appeal to many within the community, especially family and friends of those who are members of the club. It's about getting behind and supporting a good cause and essentially, giving back to the local community.

"We are hoping to raise a total of \$5000 for the club as a result of ticket sales and auctions at the dinner," says Matthew Newberry of Mon Komo Hotel.

The Redcliffe Surf Life Saving Club, fundraising dinner will be held on Saturday 28th February, commencing at 7pm. The event will include a decadent 3-course meal and 3 hour beverage package and will feature raffles and auctions to raise further funds for the cause.

**Tickets are \$95 per person and can be purchased through the Mon Komo Hotel.**

**For further information regarding the Redcliffe Surf Life Saving Dinner or to make a booking, please contact the venue on (07) 3284 6520 or visit [www.monkomohotel.com.au](http://www.monkomohotel.com.au).**

## **BIKINI BEACH CAFE**

**U**pon walking into Bikini Beach Café, you are overwhelmed with a sense of nostalgia that takes you back to a time where life was a little simpler. A time where customer service was paramount and all your food was served with the utmost hospitality.

That was all a part of Michael Herbert's vision, which he has made a reality.

Michael explains that 30 years ago, he and three mates were discussing what made a great café. They agreed there needed to be good service, excellent food and a great view. Michael's goal was to create a space that encapsulated all of these things, with an emphasis on providing exceptional customer service.

"Have you ever been somewhere, the place has been packed and when you leave you feel like you were the only person there? That's the service we aim to provide", says Michael.

The cafe has a significant family focus. Wife Karen and their kids Branden, Andrew & Jaylee help out on weekends. There is a secure kids room with TV and toys at the back of the café to ensure the smaller members of your family are having a good time, allowing everyone to enjoy their dining experience.

The venue, which had previously been an ice creamery for over 30 years, had a place in Redcliffe's history. As such, Michael wanted to maintain some of that history and still offers a fabulous selection of ice creams as well as incredible vintage images of Redcliffe decorating the walls.

With a welcoming atmosphere, great décor, an unrivaled view and fantastic food, be sure to check out the Bikini Beach Café. See for yourself first hand, good old-fashioned service with a smile.

# TACKLING MORETON BAY

Mark Templeton

## **T**he trend of turning to Kayak fishing has really taken hold over fishing from a Tinny!

We are often asked, "What are the advantages of Kayak Fishing Vs Tinny Fishing," so we have put together a few thoughts for you. Please remember that these are just ideas that we have discussed with our customers.

With Kayaks some advantages are clear. Fishing Kayaks can be an inexpensive purchase (depending on how serious you are). A good reliable model can be as little as \$500, where as a basic reliable Tinny could be \$4,000 plus.

Transporting a Kayak generally beats a Tinny hands down; all you need is a set of roof racks, a small box trailer, or even placing it inside your vehicle, to get a kayak to the fishing grounds. A tinny generally requires a fitted trailer, ongoing registration, ongoing trailer maintenance and a vehicle fitted with a tow ball, and most importantly, having someone who can reverse the car to launch and retrieve.

Ninety-nine percent of Tinnies need to be

registered, and depending on the size motor, you may need to have a licensed operator onboard. This does have an advantage; to get your license you must do the Safety Course which gives you the experience for when you hit the waterways.

Having a Kayak allows you to fish in some of the shallower waters and you can also navigate obstacles so much easier. Fishing small streams, shallow reefs, ponds and even dams most times cannot be done with a Tinny.

If you drop any tools, rods or tackle in a tinny, it mostly ends up on the floor. In a Kayak, unless it is tethered, it will end up in the drinks and will need to be replaced.

A key safety point is that a Tinny is far more visible than a Kayak, which has a very low profile!

We hope these points help out with making a decision!

If you would like more Fishing Tips or you would like us to cover particular topics, visit [www.tackleland.com.au](http://www.tackleland.com.au) and drop us a line.

Enjoy your time with the family and "Maintain the Passion".

## BLISS CANDLES

Heidi Clarke moved from NSW a year ago and absolutely loves living in Queensland.

Heidi started making candles for herself about 6 years ago. Family and friends loved them and wanted to buy them, it snowballed and became a wholesale business, online and at markets. Heidi has been at the markets for 8 months.

Phone Heidi on 0409 360 438 or visit [www.blisscandles.com.au](http://www.blisscandles.com.au)

## MABEL JANE

Tracey Marek has had her stall Mabel Jane since Love Handmade's inception in Memorial Hall at Woody Point. Tracey has always loved to make things herself from knitting her baby's clothes, to baking her own bread. Eight years ago due to family skin problems and health issues, she made soaps and body products and hasn't looked back since.

**A**ustralian politics is a hotbed of interest at the moment. Spills, thrills and a plotline that reads like a soap opera. Behind the Lines is a wonderful exhibition celebrating political commentary by the country's best cartoonists and has been on display at the Redcliffe Museum from February 6.

The thirty-three cartoonists who feature in Behind the Lines 2014 are powerful image and memory makers. They are shrewd, alert and ready to judge. At times they can be opinionated, indignant and mocking but for their own success and reputation they need to be engaging and persuasive.

Behind the Lines gives us an evolving vantage point from which to consider recent political

history. The highly individualistic range of subject matter reminds us that caricature has developed into a powerful political weapon. For that reason the cartoons in this year's Behind the Lines command our consideration and attention.

Behind the Lines looks at the political controversies, successes and failures of 2014 through the eyes and sketch pads of 33 of Australia's best cartoonists.

Featuring 80 cartoons, Redcliffe Museum is the first venue in the country to host the touring Behind the Lines exhibition, until Sunday 29th March 2014.

Redcliffe Museum is open Tuesday to Sunday 10am to 4pm and is located at 75 Anzac Avenue, Redcliffe.

# SHAUN TAN'S THE LOST THING FINDS ITS WAY ACROSS AUSTRALIA

**S**et in a city overrun by bureaucracy, Shaun Tan's picture book *The Lost Thing* tells the story of a boy who befriends a strange creature that doesn't appear to fit in any of the available pigeon holes. Melbourne-based production company Passion Pictures Australia invited Shaun to direct an animated version of *The Lost Thing*. Then, in 2010, the Oscar®-winning short film emerged.

ACMI Board President, Peter Lewinsky, said the national tour would be ACMI's largest ever undertaken and reflects a commitment to providing world-class cultural experiences to regional and rural communities.

"The moving image is a potent cultural and creative space and our commitment is to provide a diversity of audiences with outstanding opportunities to engage with art and culture, and uniquely Australian stories, regardless of location," Mr Lewinsky said. "With the support of the Australia Council, this unique and beautiful exhibition celebrating Shaun's creative spirit can find a new generation of fans across the corners of the nation."

Shaun Tan's *The Lost Thing*: From book to film goes behind-the-scenes to reveal how the popular book came to life as an animated film. It features Tan's exquisite original drawings and working sketches alongside exclusive footage of the animators and sound artists, demonstrating how the drawings were brought to life on screen with movement, sound effects, music and narration.

Upon receiving the news, Shaun Tan said, "I'm absolutely delighted that this exhibition will travel to a wider audience, especially in regional areas. It's a further opportunity for people to see all the thinking and playfulness that goes on behind the scenes of a deceptively 'short' film such as *The Lost Thing*, and production material that can be considered a creative work in its own right. I couldn't hope for a better presentation either, masterfully crafted by the team at ACMI in a way that's sure to fascinate adults and children equally."

**Exhibition Dates:** 28 Feb - 20 May  
**Time:** Monday - Saturday: 10am - 4pm  
**Location:** Redcliffe City Art Gallery  
 470 - 476 Oxley Avenue, Redcliffe
